ABOUT CAMP BROAD ROCK

Located on 20 beautiful acres of open fields and hiking trails adjacent to the South County Y, Camp Broad Rock offers children a customizable summer camp experience. Our grounds feature an archery range, a low-ropes challenge course, an outdoor sports court, as well as full access to our YMCA facility including use of our indoor heated pool, gymnasium and program spaces.

VISIT THE CAMP

Please call the South County YMCA and request a tour of the facility and grounds anytime throughout the year. **Take a tour:** Anytime after April Vacation, interested families may request a guided tour. Please contact the YMCA Welcome Center to inquire.

Every Camper LEARNS How to Swim

Every camper is offered one FREE swim lesson in addition to the free swim rotation. The South County YMCA Aquatics staff are highly trained to provide safe and progressive age and skill-level appropriate swim lessons to all children. If you are interested in additional swim lessons during your child's camp day, please contact the Welcome Center to inquire.

traditional camps

At Camp Broad Rock, every camper is offered a wide assortment of age-appropriate activities every day ranging from nature walks and singing songs to team sports and swimming lessons with everything in between. Children get to experience the very best of our year-round YMCA programs, but all in one week. Each day, campers enjoy planned games and themed activities during our core rotations of:

- Archery
- Sports & Fitness
- Team building
- Swimming
- Nature Exploration
- Creative Expression

LIL' ADVENTURERS

Entering Kindergarten

This full day camp gives your mini camper the opportunity to experience day camp like the older kids. They will participate in activities such as swimming, recreation, arts & crafts, team building and archery in a safe and welcoming environment.

PIONEERS

Entering Grade 1

A summer camp experience like no other designed specifically for campers entering the first grade. Using weekly themes, campers explore and develop interests through program activities such as nature, art, active play, music and sports and alternate between inside and traditional outdoor activities.

EXPLORER & DISCOVERY CAMPS

Entering Grades 2-4 & 5-8

In this Create-Your-Own-Camp experience, campers can customize their day. In addition to our weekly themes, Camp Broad Rock tailors our daily programming to the interests of our campers so that no camp day is ever the same. During registration, you and your child can select the types of program activities your child loves to do so that every camper is having fun with peers of similar interests.

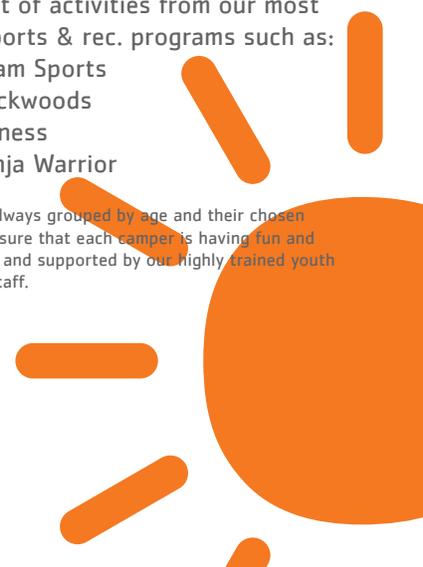

ARTS campers are offered an assortment of activities from our most popular arts & humanities programs such as:

- Young Chefs
- Dance & Theatre
- Artists In Training
- Mixed Media

SPORTS campers are offered an assortment of activities from our most popular sports & rec. programs such as:

- Team Sports
- Backwoods
- Fitness
- Ninja Warrior

*Children are always grouped by age and their chosen interests to ensure that each camper is having fun and remaining safe and supported by our highly trained youth development staff.

specialty camps

Our specialty camps provide campers the opportunities to explore more of what they love. These camps vary from educational camps to skills camps and more and are offered almost every week of the summer.

URI OCEANOGRAPHY CAMP

Entering Grades 4-8

In this new specialty camp, Camp Broad Rock has teamed up with The University of Rhode Island Bay Campus and the Graduate School of Oceanography. In this one week camp, campers will be transported to the Bay Campus to learn from URI Marine Outreach Scientists. Campers will learn about geology, oceanography, and marine biology. This includes beachcombing, learning about monsters of the deep, fish printing, and more! This camp combines learning about our oceans with fun and interesting activities!

GOTSCIENCE? CAMP

Entering Grades 4-8

Science, science and more science! Located at the South County YMCA, campers will participate in an assortment of science experiments, activities and projects throughout the camp week. In addition to their daily science enrichment, our little scientists will present a demonstration to campers and their families on Friday!

ARCHERY CAMP

Entering Grades 4-8

This camp is perfect for those campers who would love to learn more about archery. These campers will enjoy extra time with our certified archery specialist learning tips and tricks for better accuracy. Campers will learn how to stand, shoot, and score along with playing fun archery games and activities.

FLAG FOOTBALL

Entering Grades 4-8

This year we are excited to offer our campers a week long flag football camp! Camper will play fun football related games and activities while learning fundamental skills necessary to advance their knowledge of the sport. This new camp will improve their speed, agility & overall athleticism all in a safe and fun environment.

AQUA CAMP

Entering Grades 2-8

Is your camper a fish out of water? Our aqua camp is perfect for kids who love to be wet! This camp receives up to 4 hours of pool time per day. Campers receive daily swim lessons, 2 free swim blocks and also an aqua activities session everyday. During swim lessons they will be coached by YMCA Aquatics staff to either learn the basics or build on existing skills. During aqua activities they will learn and participate in fun water themed games. Don't worry, the counselors in this camp are also water lovers and will be in the pool with your camper and supervised by YMCA lifeguards and swim instructors at all times.

GYMNASTICS CAMP

Entering Grades 2-8

Continuing on the success of our year-round gymnastics program, this one-week camp is a chance for campers to experience the fun and joy of gymnastics. Our instructors create age and skill-level appropriate lessons for children of all ages and abilities so every camper can succeed in a safe and no-pressure learning environment. Bars, floor, progressive vault and beam are all a part of our instructional offering.

THEATER CAMP

Entering Grades 2-8

Does your camper have a flare for the dramatic? This two week on-site camp is the perfect opportunity to let their inner star shine. Staff from Scrapbook Theatre of Westerly will be on hand to help your camper learn performance basics while having fun in a supportive environment. Campers will learn story basics, set design and the importance of acting.

SURF'S UP

Entering Grades 4-8

The South County YMCA and Rhody Surf have teamed up to offer this one-week instructional surf camp. Campers will spend their mornings receiving surfing instruction both on-land and in the water from NSSIA instructors at Narragansett Town Beach. In addition, campers will be accompanied by a camp counselor AND YMCA lifeguard to ensure comfort, safety and support at all times during their time at the beach. Campers are transported from the South County YMCA and back in the afternoon.

specialty camps

FOOD IS FUN

Entering Grades 2-8

This one-week camp is based off of our popular 2014 Young Chefs camp, but enhanced with a nationwide healthy eating habits curriculum. Don't worry kids, it's not all carrots and green beans. This camp aims to educate campers on how healthy eating is good for us, but also fun in the process. Healthy smoothies, fruit kebabs, unique treats and more are just a few examples of foods your child will not only try, but learn to independently prepare as well.

BASKETBALL CAMP

Entering Grades 2-8

This one-week instructional sports camp is just what the coach ordered! Campers receive daily basketball fundamentals instruction from our highly-trained Game Changer coaches. After a week of drills and skills practice, we celebrate our hard work with a Friday full of fun with continuous tournament games and contests. All campers receive a YMCA basketball.

teen leadership

LEADERS-IN-TRAINING

Entering Grades 9 & 10

This two-week camp offering is a summer supplement to our year-round leaders club. LIT's are given Safe Sitter certification, CPR/ First Aid instruction, leadership training and assist in the CIT Water Safety Certification. LIT's assist with daily routines such as manning the camp store and opening ceremonies.

COUNSELORS-IN-TRAINING

Entering Grades 11 & 12

This two-week option is a counselor preparatory program for teens looking to learn the necessary skills for youth development jobs and careers. CIT's receive Water Safety certification, Safe Sitter certification, CPR/ First Aid Certification and are mentored by highly trained YMCA camp staff. All interested candidates must apply and interview to be accepted into the program.
