

BEST SUMMER EVER

West Bay Family YMCA SUMMER YOUTH ENRICHMENT PROGRAMS

Our specialty enrichment programs give kids the opportunities to explore more of what they love. All school age programs are offered at Fishing Cove Elementary School. Optional before and after care is available at the West Bay YMCA with transportation provided to Fishing Cove Elementary. Additional fees apply.

PROGRAM HOURS

Preschool

8:30 am - 11:30 pm (M-F)

School Age

8:30 am - 3:00 pm (M-F)

Before Care	After Care	Both

Preschool Programs

LITTLE EXPLORERS

Ages 3-5 (must be toilet trained)
Offered weekly July 9 - August 17
\$125/week for members
\$150/week for non-members

Located on-site at the West Bay Family YMCA this half-day program is designed to provide enriching experiences in a safe, age appropriate setting. Games, art, singing, playtime and more! Learning through art and expression is the theme of our 6-week summer program.

JR. SCIENTISTS: ALL ABOUT ANIMALS

Ages 4-5
One week only! July 9 - 13
\$150/week for members
\$175/week for non-members

Allow your child to cultivate their love of animals. Children will learn various concepts of animal life cycles and animal characteristics & traits using K'Nex toys and other interactive learning tools.

School Age Programs

Week 1: July 9 - 13

ART & STORYTELLING

Ages 6-10
\$260/week for members
\$295/week for non-members

Learn how to sew character items from our favorite stories! From beginning to experienced sewing, your child will learn to sew with creative, fun hand and machine arts projects. Each child will learn how to sew on a button with the process of creating a Ribbon Bookmark for their favorite books, along with other fun sewing projects. There will also be a sewing machine available to teach simple sewing techniques for those children who already know how to sew. Our sewing program includes story time where we will choose one book as a group the first day and create fun projects for this book throughout the week. Your child will have so much fun with Craftersnight.com Sewing Program from Time to Design Arts Studio!

SPORTS GALORE

Ages 9-13
\$220/week for members
\$300/week for non-members

This is not your traditional sports program! We're challenging kids this week to run, jump and play their way through the adventures of sports of all sorts! Pickleball, bocce, badminton, croquet, just to name a few! This enrichment program emphasizes healthy competition, teamwork, proper nutrition, individual development, and most of all...fun!

Week 2: July 16 - 20

ANIMATION STUDIOS

Ages 6-10
\$260/week for members
\$295/week for non-members

Create amazing movies with stop motion animation using LEGO® bricks. Children will work in teams to produce their very own movie complete with dialogue and sound effects. Movies are uploaded to a secure site for family and friends to see how cool they are! Are you ready to create the next Star Wars or Minecraft?

PADDLE BOARDING

Ages 9-13
\$430 for members
\$480 for non-members

Spend the day exploring the local waterways with experts from the Kayak Centre in Wickford. No prior paddle boarding experience is required. Lunch is included.

**BEST
SUMMER
EVER**

West Bay Family YMCA SUMMER YOUTH ENRICHMENT PROGRAMS

Week 3: July 23 - 27

KAYAKING

Ages 8-10

\$430 for members

\$480 for non-members

Spend the day exploring the local waterways with experts from the Kayak Centre in Wickford. No prior boating experience is required. Lunch is included.

KICK BOXING (2-week program)

Ages 8-12

\$560 for members

\$640 for non-members

Lace up your boxing gloves as we travel to the Big Six Boxing Academy in Providence. Jason "Big Six" Estrada, a boxer who represented the United States at the 2004 Olympic Games in the super heavyweight division and won gold at the 2003 Pan American Games will lead a general boxing and fitness program for your child. Children will spend 3 days a week ring side with Jason and the remaining 2 days will be spent at Fishing Cove learning about healthy eating with a nutrition specialist from South County Health.

Week 4: July 30 - August 3

FASHION FRENZY

Ages 6-8

\$245 for members

\$285 for non-members

Junk to funk! Create your own fashion statement with recycled items. Rip, cut, twist, glue, tape, staple. Whatever your method, it will be your design to show off!! Come explore the world of fashion in this fun filled week of sustainable style!

Week 5: August 6 - 10

ART & YOGA

Ages 6-10

\$220 for members

\$300 for non-members

Spend this week finding balance & expanding your creative side! This program offers children a chance to build confidence, cultivate mindfulness, make friends, have fun and express their creativity. We will be creating fun masterpieces from paper, paint, wood and whatever else we can, while also learning basic relaxation and yoga techniques.

FASHION & YOGA

Ages 9-12

\$245 for members

\$285 for non-members

Spend this week finding balance & expanding your creative side! This program offers children a chance to build confidence, cultivate mindfulness, make friends, have fun and express their creativity. Make a personal statement by designing your own signature fragrance, jewelry or clothing while also learning basic relaxation and yoga techniques in a fun supportive environment.

Week 6: August 13 - 17

DRONE COMMANDER

Ages 9-12

\$270 for members

\$310 for non-members

In Snapology's Drone Commander Workshop, students will be introduced to the world of Unmanned Aerial Vehicles (UAVs) and develop a deep understanding how to control and manage this exciting technology. In this workshop, your student will learn about the types of UAVs, the parts needed for controlled flight, the forces of flight, basic drone safety, and a variety of flying maneuvers. This exciting workshop will give your students the chance to safely test out some of the newest advances in robotics and really take their knowledge of engineering to new heights!

AT THE COVE

Ages 6-10

\$260 for members

\$295 for non-members

Discover and explore the vast ocean ecosystem right in our backyard! Lead by marine biologist and ocean engineer Bowman Halstead, this program emphasizes experiential, hands-on learning and close-up experiences with creatures and plant life that call Narragansett Bay home.
