

BRIGHT BEGINNINGS START HERE AT SOUTH COUNTY PRESCHOOL

At the South County YMCA Preschool, children use their curiosity and imagination to become creative thinkers. Our comprehensive curriculum prepares children to become independent learners and develop self-confidence for sharing in a classroom setting. We focus on the areas of pre-reading, math and science skill development. A positive self-image is developed as they begin to become proficient in the areas of cognitive and physical development. As an onsite, year-round program, our preschool also includes age appropriate enrichment activities like swimming, gymnastics, sports, music and outdoor play. We are committed to the physical well-being of the children and provide weekly activities based on age and developmental levels.

Your child will be guided and cared for by teachers selected for their training, certification, experience and remarkable sensitivity to the needs of preschoolers. Our staff is comprised of certified early childhood teachers and trained assistants.

The preschool maintains a 1 to 8 ratio of staff to children.
