**The Y's EARLY LEARNING CENTER
Full-Day & Full-Year Preschool**

We know children watch everyone and absorb everything around them. That is why our program is staffed with experienced teachers and nurturing caregivers who understand the cognitive, physical, and social development of children. We incorporate Y values of caring, honesty, respect and responsibility into everything we do. We believe foundational skills and values learned early in life are the building blocks for a happy, healthy, centered person.
