Parent/Child Swim

Accompanied by a parent*, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision. Water diapers must be worn if not potty trained.

Stage A/Water Discovery: 6-18 mos

Saturday 9:35 am

Stage B/Water Exploration: 18 mos-3yrs

Saturday 9:35 am

* We define parent broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, guardians, stepparents, grandparents, or any other type of parenting relationship.

Preschool

Stage 1/Water Acclimation

Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.
