YMCA OF GREATER PROVIDENCE CHILD ABUSE PREVENTION Rules and Regulations

We take the safety of children, youth, and vulnerable adults seriously. The Y is about youth development: kids must be safe to grow, thrive and reach their potential in a nurturing environment. The mistreatment or neglect of children, youth and vulnerable adults is of primary concern to the YMCA.

Such behaviors represent gross misconduct and can result in immediate termination of an employee or volunteer. CHILD ABUSE PREVENTION

Rules and Regulations

Abuse situations can occur: 1) At home or away from the Y (signs are observed at the Y or a child makes a disclosure) 2) At licensed sites or in contracted programs; and 3) in all other Y programs. **At the Y:** 1) staff (employee or volunteer) can break rules or cross boundaries of appropriate interaction with children, youth or young adults; or 2) Children & youth can sexually act out by themselves or with other children, including bullying or intimidation.

Educating participants: Participants may be informed in a manner that is age appropriate of their right to set their own "touching" limits for personal safety, and they will be encouraged to tell an adult if someone is abusing them.

REPORTING AND DOCUMENTING ABUSE/NEGLECT AND OTHER UNACCEPTABLE BEHAVIORS

1. **I am aware that I am a mandated reporter** if I am a teacher or professional school personnel, nurse, doctor or professional social services counselor, or I work in a licensed child care program or I am a placement specialist or living skills program staff, OR I have regular supervisory authority over any employee, volunteer or contractor whom I believe has caused a child to suffer abuse or neglect; **and I understand I am required by law to report known or suspected instances where a child, youth or vulnerable adult (or developmentally disabled person) has been abused or neglected, and not doing so is considered a gross misdemeanor.**
2. **I understand the YMCA expects me to follow the same abuse reporting procedures whether I am a mandated reporter or not. Information regarding abuse or potential abuse or neglect should be documented in writing. Suspected abuse should be reported to the Department of Children, Youth and Families:**

Call Abuse Hotline: 1 800 RI CHILD

3. **At the first reasonable cause to believe that abuse or neglect exists, it should be reported to a supervisor or program director** so that proper reporting can be initiated. If the supervisor or program director is not available, I understand I should contact the next supervisory level up. Inability to consult with a supervisor or program director should not delay a call to authorities.
4. **At the first reasonable cause to believe that another YMCA staff person or volunteer has crossed the boundaries of acceptable YMCA interactions or has abused a participant**, even if it was not during working hours, his or her conduct should be reported to a supervisor or program director and/or the branch executive. Appropriate actions will be taken regarding the employee or volunteer, including suspension or termination from YMCA employment or volunteer status, and the YMCA's protocol for making a report to the appropriate authorities will be followed.
5. **Confidentiality of information related to abuse is crucial** and should be limited to the immediate supervisor and/or branch executive or designated member(s) of the Association office staff. However, inappropriate and sexualized behaviors initiated by participants towards others in YMCA programs may be shared with the designated branch executive and other staff who work with the participant.
